About GIZ India click on: <https://www.giz.de/en/worldwide/368.html>

Project Background

GIZ has been supporting India on its energy front since 1995. The Indo German Energy Program (IGEN) has committed itself to take forward this energy agenda focusing on the PAT scheme primarily which has led to huge savings in terms of CO₂ emission reduction and coal.

A new project “**Energy Efficiency in the Industry**” is being commissioned by BMZ Germany. The broad objective of the new programme is, “Non-PAT industries in the secondary steel and pulp & paper sector in India are capacitated to implement EE measures.

Major Programme outputs are

- a) Capacity Building for SDA’s
- b) Energy Efficiency Knowledge Products
- c) Peer to Peer Learning
- d) National Energy Efficiency Dialogue
